

Global Pray For Zero Guide

Take your place in History

Jesus said, "Again I say to you, if two of you agree on earth about anything they ask, it will be done for them by my father in heaven"

(Matthew 18:19)

God's power and authority are released when you pray in unity with others. As your prayer family goes to God on behalf of every people group to receive Scripture in their heart language, your prayers light the darkness and bring hope to the seemingly impossible. Repeatedly we hear from the translation teams of how God intervened supernaturally because of your prayers.

Starting a prayer family is easy.
